Fill-out and submit the Health Declaration Form before entry to the PTRI building using this link: <https://tinyurl.com/PTRI-HDF>. Show the security guard the tour confirmation form to enter PTRI. Please note that for health protocol and validation purposes, everyone will still have to undergo temperature and vaccination card checking before entry to the PTRI premises and upon arrival in the lobby even if the Health Declaration Form has been accomplished before your visit.

Please assess and inform participants (especially those with any serious respiratory issues and allergies) that the plant tour exposes participants to different textile processing machines and fiber particles around. The institute shall not be liable for any injury that the participants may sustain or for losses whether personal or pecuniary in the whole duration of the tour;

6. In case you have processed and intended to take photos or videos for documentation purposes, please do not forget to bring the four (4) original copies of the signed Agreement on Provision of Technical Assistance on the day of the tour.
